PETITION UNDER 37 C.F.R. 1.182

Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

December 26, 2007

Sir:

Applicants hereby petition to withdraw any holding of abandonment of the above-identified application. It is submitted that the above-identified application is abandoned as a resulted of the Patent and Trademark Office's failure to mail correspondence to the correct address.

The facts to support petitioner's request to withdraw the holding of abandonment are as follows:

1. The above-identified application was filed on January 24, 2000.
2. On January 18, 2002, a Request for Status and Notification of Change of Name and Address were filed. Attached hereto as Exhibit A are copies of the papers along with a copy of the stamped postcard receipt.
3. On February 5, 2002, the undersigned received a communication from the Patent and Trademark Office indicating that the expected date of action by the Examiner was March 2003. Attached hereto as Exhibit B is a copy of this communication.
4. Having received no action from the Patent and Trademark Office in response to Item #3 above, on October 15, 2003, a Second Request for Status was filed. Attached hereto as Exhibit C is a

copy of the Second Request along with a copy of the stamped postcard receipt.

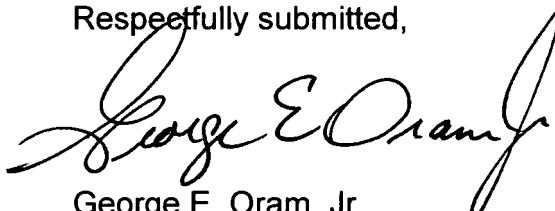

5. Receiving no response or action from the Patent and Trademark Office in response to Item #4 above, on May 4, 2004, a Third Request for Status was filed. Attached hereto as Exhibit D is a copy of the Third Request along with a copy of the stamped postcard receipt.
6. Still receiving no response or action from the Patent and Trademark Office in response to Item #5 above, on October 28, 2005, a Fourth Request for Status was filed. Attached hereto as Exhibit E is a copy of the Fourth Request along with a copy of the stamped postcard receipt.
7. Still not receiving a response or action from the Patent and Trademark Office in response to Item #6, on October 24, 2006, a Fifth Request for Status was filed. Attached hereto as Exhibit F is a copy of the Fifth Request along with a copy of the stamped postcard receipt.
8. On November 7, 2006, a Change of Correspondence Address was filed via facsimile to ensure that in fact the address had been corrected and to attempt to obtain access to the application information via Private PAIR. An acknowledgement by the Patent and Trademark Office was received. Attached hereto as Exhibit G is a copy of the Change of Correspondence Address and PTO acknowledgement.
9. The subject application still not being accessible in Private PAIR, the undersigned filed another Change of Correspondence Address via facsimile on December 18, 2006. An acknowledgement by the Patent and Trademark Office was also received. Attached hereto as Exhibit H is a copy of the Change of Correspondence Address and PTO acknowledgement.

As can be seen in reviewing the facts outlined above, the undersigned properly advised the Patent and Trademark Office of its change of address by way of a Notification of Change of Name and Address filed in the Patent and Trademark Office on January 18, 2002, however, it appears that this change of name and address may not have been entered in the above-identified application. It is also respectfully submitted that the undersigned was diligent in its efforts to obtain information as to the status of the subject application. Therefore, since the undersigned never received any communication from the Patent and Trademark Office and has been unable to access

the PTO database with regard to this application, the undersigned is at a loss as to the current status of the subject application and believe that the application may have become abandoned. It is therefore submitted that withdrawal of any holding or abandonment of the above-identified application is proper and that this petition should be granted.

In the event that any fees are due with respect to this paper, please charge our Deposit Account No. 01-2300, referencing Atty. Docket No. 107156-09068.

Respectfully submitted,
